Rental Agreement for 12' Aerway Pasture Aerator

Date: _____

I, _____, am renting the Aerway Pasture Aerator from the West Greeley Soil Conservation District beginning on (Date) _____ and ending approximately on (Date) _____. I understand that the rental rate for the machine is \$2.50 per acre or \$25 minimum fee for small parcels under 10 acres. I understand that I am responsible for proper care and maintenance of the machine and any repairs that result from improper usage, other than normal wear and tear. I agree to notify the district of any repairs that need to be made to the machine after my use. I understand there is an operator's manual located on the machine I am to read to ensure proper operation. I am responsible for making arrangements to pick up the machine and to deliver it back to the district lot in Galeton unless other arrangements are made with the district office. I agree to return the machine in a timely manner. I understand there will be a \$50 pick-up fee if the district must pick the machine up after my use due to my failure to return it. I agree that West Greeley Soil Conservation District is not responsible for damages caused by the machine when under my operation and care, and that the district does not guarantee performance. I also state that I have adequate insurance to cover damages and protect myself, the district, and the public during aerator use and transport on public roadways.
