

Summer Zoom

2 Virtual Pollinator Camps

8 to 10-year-olds can learn about pollinators and enjoy making pollinator-friendly STEAM projects engaging Science, Technology, Engineering, Arts, and Math - in nature!

Colorado State University, U.S. Department of Agriculture, West Greeley Conservation District, and Colorado counties cooperating, Extension programs are available to all without discrimination.

FREE Fun hands-on activities include:

- Exploring the habitats of bees, bats and other pollinators (in photos)
- Planting pollinator seeds
- Crafts: building a hummingbird feeder, using beeswax to make candles, painting rock bees, repurposing items to make caterpillars /butterflies, making bat masks and more!

Parents can pick up Zoom Bag @ WGCD!
Wed, 7/22 & Th. 7/23 from 8 a.m.-5 p.m.

Registration Open
